

# GlobalNetworking

When you engage a member of the Certified International Property Specialist - CIPS - Network to help you with your international real estate transactions, you employ an army of real estate practitioners in nearly 50 countries. Informed. Far-Reaching. Reciprocal. A virtual gathering of global specialists working to find your best options. Joined in a common purpose.

Connected in an ever-expanding world-wide aggregate of nearly 100 property markets. Translating your desires. Balancing cultural norms. Determining true value. Addressing all legalities. Navigating monetary fluctuations. Finding tax solutions. Working for you.
