PANAMA SPECTACULAR 2008

February 24-28 (29 Optional)

December 2007

Dear Friend of Panama:

The beauty of Panama and its attractiveness as a second residence and as a haven for retirees is now an open reality. Panama's political, economic and social stability, supported by a highly professional entrepreneurial class, has turned the country into a great place for investment. The expansion of the Panama Canal, selection of Panama as regional headquarters for multinationals, and other infrastructure projects are opening even more opportunities.

Panama Spectacular 2008 is into its fifth year. Past conferences have attracted more than five hundred real estate professionals; many of them have returned and are now part of the growing real estate family. We are especially pleased of the support received from the National Association of Realtors® (NAR) and its Ambassador Association to Panama, the Orlando Regional Realtor® Association (ORRA), and the International Real Estate Federation (FIABCI).

After the highly successful FIABCI's Congress of the Americas last October, The U.S.-Panama Business Council and ACOBIR are preparing what looks to be another impacting conference with new projects being presented in *Panama Spectacular 2008*. This year in addition we will have the participation of FECEPAC, the Central America Association of Real Estate.

The conference will take place in Panama City. The host hotel will be the Miramar InterContinental. We encourage you to make your reservations early as space for the conference and hotel accommodation is limited.

We look forward to see you in what promises to be another....
Spectacular Conference!
