Code of Ethics Video Series

Structure & Preamble, Part 1
Discussion Questions

Are you familiar with the overall structure of the NAR Code of Ethics?

How do you and your firm stay abreast of changes to the Code of Ethics?

When faced with a difficult business decision, do you refer to the Code for guidance? If not, why not?

How can you use the Code – and your adherence to it – to promote yourself and your services to consumers?

Access a copy of the current Code of Ethics and familiarize yourself with the:

- Preamble
- Articles and accompanying Standards of Practice
