The nation and its health care system are best served by having all citizens covered by health insurance.	√	√	√	√		
Health care coverage and/or insurance should be available to all.	√	√	√	√		
Individuals should have health care coverage that is continuous, i.e. allows for no gaps in coverage.	√	√	√	√		√
Individuals should have the ability to choose their preferred health insurance plan from an array of private policy options that offer choices in the scope of covered services and policy costs.	√	√	√	√	√	√
Health care coverage should enhance health and well being by providing preventive health services and chronic disease management services.	√	√	√	√		√

¹ Applicable only to self-employed individuals. Not necessarily applicable to small firm employees.
