Compensation: Salary Survey Web Sites

Here are the links to some actual surveys or Web sites of organizations which provide or sell survey data for not-for-profit organizations.

(Please note: Almost all free sites receive their data not from employers, but from employees, who may not appropriately match jobs or provide accurate responses. Use data from free sites with caution.)

Salary Survey Resources

<http://www.bls.gov/bls/blswage.htm> (Free)

<http://www.careerjournal.com/salaryhiring/industries/nonprofits> (Free)

<http://www.nptimes.com/> (Free)

<http://www.salary.com/> (Free and fee-based)

<http://www.asaenet.org/> (Sells a published survey)

<http://comp.blr.com/> (Sells published surveys)

<http://www.wwdssurveys.com/> (Sells published surveys)

<http://www.abbott-langer.com/> (Sells published surveys)

Additional local or industry-specific surveys can be found by contacting your state not-for-profit association or your local Chamber of Commerce or Better Business Bureau. In addition, you can contact the Professional Compensation Association (<http://www.worldatwork.org>) or the Society for Human Resources Management (<http://shrm.org>) for possible salary survey resources.
