Congress Can Push All the Right Buttons to Get Real Estate Markets Moving

The 1.2 million members of the National Association of REALTORS® urge Congress to pass additional measures to increase consumer confidence, solve the credit crisis and get the economy going again. Strengthening real estate markets will steer America in the right direction.

- Expand the Homebuyer Tax Credit to include all homebuyers
- Make the increased GSE conforming and FHA loan limits permanent
- Fortify the GSE's (Fannie Mae and Freddie Mac)
- Stabilize and provide liquidity to Commercial Real Estate Markets

The time to act is now.
